Dear Parents:

On Friday, August 23<sup>rd</sup>, Siegel will be hosting our annual STAR TREK fundraiser. We want to equip our teachers and students with all the tools necessary to continue the strong academic traditions in place at Siegel High School. If every student will donate \$25, many needs of our students can be met. A donation of \$25 is less than 14¢ per day. Donors who choose to give at the ***Galaxy Level*** are contributing just \$2.78 per school day for their child's education. By eliminating third-party fundraising companies and making your donation tax-deductible, we are providing the best and most effective method of raising funds for Siegel students.

**STAR TREK** will begin around 10:45AM, and students who have returned a parental consent form (see back) will "trek" to the football field where all activities will take place and lunch will be provided. The festivities will conclude around 11:25AM. Only those students whose parents have allowed their children to leave campus will be dismissed. All other students will remain on campus.

Please support the **STAR TREK** fundraiser; we need your help to sustain the superior educational tradition at Siegel High School. We will be kicking off our drive with the first turn-in date on Friday, August 16<sup>th</sup>, 2024. Your donations, both large and small, are sincerely appreciated.

Please feel free to contact me if you have any questions.

Sincerely,

Larry Creasy  
Principal
